A digital audio recording of this proceeding is being made by the "For the Record" recording system in lieu of a court reporter.

The following matters were agreed upon by the parties with the court:

**THE COURT FINDS** that there are several indicators in the case file that the children should have a Best Interest Attorney and the best interest attorney shall assist the children in both the criminal case and this family court case.

**IT IS ORDERED** that a Best Interest Attorney shall be appointed for the children by separate minute entry.

This court shall confer with Anna Scherzer, M.D. regarding whether she is willing to become the treating psychiatrist for Zachary. If she is willing to do so, the court will appoint her. The court will also appoint a neuropsychologist for Zachary after conferring with Dr. Scherzer from the names suggested in her report: Dr. Jason Baker, Dr. Paul Beljan, Dr. Kytma Voeller. This neuropsychologist, or neurologist, shall have access to Dr. Scherzer's initial evaluation and shall focus on:

1. Executive function
2. Learning disabilities
3. Cognitive function
  - a. Working memory
  - b. Higher order cognitive ability

**IT IS ORDERED** that both parents shall be made aware of the results of this testing and the neuropsychologist/neurologist shall file a written report under seal with this court.

**IT IS FURTHER ORDERED** that Dr. David Kipp, Zachary's pediatrician at Cigna, shall perform diagnostic tests for cystic fibrosis, cardiovascular status, blood pressure, height, weight (metabolic syndrome) on Zachary and notify both parents of those results, filing a copy of his report of those results with the court under seal.

**IT IS FURTHER ORDERED** that, in addition to the above, the parents shall continue Zachary in therapy with Dr. Paulette Selmi for cognitive therapy, as well as family and/or group therapy as Dr. Selmi deems appropriate.

**IT IS FURTHER ORDERED** that both parties shall file current Affidavits of Financial Information by **August 31, 2007**. After receiving this information the court will set a further hearing regarding child support and payment of the above medical expenses.

**IT IS FURTHER ORDERED** that counsel for Father shall copy this court with all minute entries in Father's ongoing criminal case.
